To Our Friends, Greeting:

As we hand you our new SEED BOOK for 1902, we feel very thankful and grateful to you all, for the very liberal patronage given us the past year,—it was by far the largest that we have ever had. We are now again ready to serve you with the BEST SEEDS THAT GROW, at Prices that are moderately low. Alnee's Seeds are truly famous and deservedly so, for they are the best seeds that Nature Earth produce. They are the RELIABLE AND MONEY MAKING SEEDS. Better seeds cannot be had at any price.

Some seed crops are very short this year, particularly those of Peas, Beans, Sweet Corn, Cabbage, Carrot and Radish, therefore, this year prices will range much higher on these in all catalogues, but we have endeavored to keep our prices very low, as you will see by comparing with other catalogues. We want your trade and it will be to your advantage to buy from us, for we can SAVE YOU MONEY. Send in your orders as early as possible.

Thanking our friends and patrons for their kindliness and liberal orders in the past, and soliciting a continuance of the same. Send in your orders as early as possible, and induce all your neighbors and friends to join their orders with yours, and all seed for ALNEER'S RELIABLE HIGH GRADE TESTED SEEDS.

Yours Very Truly,

If you get more than one copy of this Catalogue kindly hand the extra one to a neighbor who buys seeds. Market Gardeners and truckers send for Wholesale Catalogue. We can save you money.

Seeds Given Away, or Extras. Every year we distribute free to our members large quantities of seed packets of choice and rare sorts. The larger the order the greater will be the number of extra thrown in at a rule, exceptions being made only when heavy bulk seeds are ordered, such as farm seeds.

Our Packets. We guarantee that our packets are large size and well filled with choice, fresh seeds. Our customers say that our packets are larger and better filled than most mail order packets.

What we Warrant. We believe that the seeds we offer are excelled by none in the world, yet our practice of many years fully assures us of the fact that crops may fail no matter how fresh and pure the seeds sown to produce the greatest care. To have all seeds pure and reliable, it is hereby mutually agreed between ourselves and the purchaser that we are not in any respect liable or responsible for the seeds sold by us, or for any loss or damage arising from any failure thereof in any respect, further than that should they not prove as represented, we will refund the order without charge.

Our Prices. We guarantee the lowest possible for first quality and honest seeds besides the thousands of separate articles we have been pleased to offer for the sake of our customers for this kindness.

How to Send Money. The money must accompany the order, and can be sent safely by Postoffice Express Company's Money Order, or by draft on New York or Chicago, by Registered Letter. In such instances we reserve the privilege of sending in the bags or packages such small packets as may be ordered, as it does not increase the transportation charges, and in consideration of this we will add enough extras to fully repay our customers for this kindness.
